DETAILED ACTION

This action is responsive to amendment filed on 01/22/2001.

Drawings

Formal drawings are now required and must be filed within the THREE MONTH shortened statutory period set for reply in the "NOTICE OF ALLOWABILITY" (PTOL-37 or PTO-37). Extensions of time may be obtained under the provisions of 37 CFR 1.136(a). Failure to timely submit the drawings will result in **ABANDONMENT** of the application. The drawings should be submitted as a separate paper with a transmittal letter which is addressed to the Official Draftsperson. The art unit number, application number and number of drawing sheets should be written on the reverse side of the drawings.

Response to Amendment

The examiner has acknowledged the amended specification, the amended claims 17, 20, 26, 42, 57, 65, 71 - 73, and 79, and the revocation of prior power of attorney and new power of attorney. The double patenting rejection has been withdrawn.

Response to Arguments

The examiner has reviewed the art of record in view of applicant's arguments; it is the examiner's position that the art of record is deficient of some of the limitations as claimed. In

Art Unit: 2735

view of such, the rejections under sections 102(e) and 103(a) as were noted in the last office action are hereby withdrawn; thus, allowing claims 1 - 94.

Allowable Subject Matter

Claims 1 - 94 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: As specifically claimed, the art of record fail to suggest, a method for tracing a electronic device having an agent initiating communication and providing identifying indicia to a host system, said electronic device connectable to said host system through a global network, said method comprising the steps of automatically providing said host system with said identifying indicia through said global network for determining the identity of said electronic device; and providing said host system with one or more global network communication links used to enable transmission between said electronic device and said host system, said transmission via said communication links used for determining the location of said electronic device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
